### *Excerpt*

Immediately, Travis's eyes focused on a dark haired woman as she entered the restaurant, and was led toward a table beside a glassless window. In an instant he was captivated by her natural beauty. Long, dark wavy hair was pulled up in a ponytail off her shoulders. Brilliant bright blue eyes sparkled with restrained passion. Her bronze colored skin, flawless.

The intense tightening of his balls had Travis gripping the arms of his chair for support. The acute reaction of his body's response to the woman brought a smile of confidence and satisfaction to Travis's lips.

She was the one.

With hunger, his eyes followed the hypnotic sway of her backside as she had walked across the floor. All the while, they caressed the curves of her large breasts, curvy hips, her round

buttocks and tanned legs. Her natural sexual appeal was alluring, innocent. His eyes zeroed in on several drops of perspiration running down the hollow of her throat, disappearing between the swells of her ample cleavage. It took tremendous restraint as Travis fought the urge to run up and lick those lucky droplets from between her perfect breasts. With restlessness, his cock stirred, pressing painfully against the restraint of his pants. He swallowed with great effort.

From across the table, Tristan became immediately aware of Travis's distraction and glanced over his right shoulder. His mouth went dry and his cock sprang to life. Never before could he remember his body reacting with such urgent need from just a glimpse at a woman.

It was her. She was the woman they'd been searching for.

As she sat alone, their eyes were drawn to the movements of her mouth as she conversed with the server. Full, plump lips curled into a warm and inviting, sexy smile. Settling her chin in the palm of her hand she turned her head to look out over the beach.

The two men shared a curious glance as her cheeks tinted pink, and she smiled before quickly turning away. The beautiful woman picked up her glass, and their balls pulsed as she took the straw between her luscious lips. Her cheeks hollowed slightly as she sucked the sweet, cool beverage into her mouth. As she swallowed, her two unnoticed admirers shifted uncomfortably in their chairs.

A prickling sensation ran the length of Jana's spine, making the hair on the back of her neck stand on end. The unease of being watched came over her. Setting her glass down, she surveyed the restaurant eyeing the other patrons, trying to determine who might be looking at her. Customers were focused on the company they were with; no one appeared to be paying her any mind.

Across the dining room in a dimly lit corner, Jana spotted two large men at a table. Although she couldn't see them very well through the pale lighting, there was no mistake, they were staring right at her. She swallowed hard, her mouth had gone dry. Her nipples grew painfully erect and moisture flooded the apex of her thighs.

In that instant, and for the first time in her life, Jana became acutely aware of her sexuality. Never before had a look from one man made her panties wet with arousal. But this wasn't just from the look of one man, it was two.

Their seduction-laced smiles made her lower belly spasm as she looked from one man to the other. Jana was mesmerized by what she could see of their stunning, masculine beauty, aroused more than she ever thought was possible.

The server arrived with her order, startling Jana out of her trance. Thanking the girl, she glanced over to the table again, but the two men were gone. Scanning the restaurant with careful scrutiny she couldn't control the shudder of her body as a tremor moved through her.

Though she no longer saw them, she still felt their eyes on her.
